CHSPA Event and Contests at Elitch Gardens!

Elitch Gardens is holding an exclusive news conference for all CHSPA members. You and fellow publications members will be able to ask the park's public relations coordinator questions about the park, the great rides, the upcoming Fright Fest and anything else you think would make for an interesting story.

A pre-purchased \$20 ticket will admit you to the press conference, the park and the contests. For every **four** tickets purchased, you will receive **one** free! Groups can use the free tickets for the advisers, have a staff contest/raffle or split the savings of the free ticket among all members for an even better deal.

Following the news conference, enjoy a day of unlimited rides and teambuilding activities with your high school's publications staff. Then prepare your contest entry and submit by Sept. 18.

Publish your story, photo or broadcast for your student body and include the special promo code given to attendees on Sept. 12 and the students at your school will receive a discounted ticket for Elitch Garden's Fright Fest in October. And, every ticket purchased will benefit the CHSPA scholarship fund!
