

**Elitch Gardens Great Outdoor
& Wilderness Day**

May 24, 2017

Partners in Education

Be sure to stop by and check out these added educational activities in the park:

- **Colorado Parks and Wildlife**

www.cpw.state.co.us

Explore the Colorado wildlife right her at Elitch Garden's, with animal skins and skulls! Play a fun outdoor Corn Hole game, discover animal tracks, fossilized paw prints, and try your hand at the Backyard Bass fishing game!

- **Friends of Dinosaur Ridge**

www.dinoridge.org

Explore the geology and paleontology of dinosaurs. Cool fossil replicas to see and touch!

- **US EPA**

www.epa.gov/students

Teaching students about the environment and making students environmentally aware. Come play various environmental games!

- **Nature's Educators**

www.natureseducators.org/education/

Connecting students to the environment by teaching them about the other creatures that live in it! Check out the interactive and educational booth with live birds of prey and/or reptiles! We hope that by connecting with our ambassadors and learning their personal stories, audience members will understand the importance of conservation.

- **Play-Well TEKnologies**

www.play-well.org

Enjoy LEGO engineering, demonstrations of engineering concepts and maybe even build your own!

- **HawkQuest**

<http://www.hawkquest.org/>

See live birds of prey up close! Get a chance to ask one-on-one questions with the experts about the birds, and receive information about the large birds.

- **Bird Conservancy of the Rockies**

<http://www.birdconservancy.org/>

Students will learn how to use binoculars and gain basic bird identification skills in this interactive activity. Students will engage in a visual scavenger hunt to find and identify photos of bird species.
